**LEGISLATIVE NSS** -

**GENESEE & LIVINGSTON COUNTIES, NEW YORK** 

#### Ladies & Gentlemen:

Please reference the attached documents relative to NSS in the above named counties in New York state. It appears that the installation of security shields on cigarette displays will be acceptable in meeting requirements established by both counties. Advertising of tobacco products was not addressed by either county, therefore, we will continue to operate as usual.

## **Effective Dates:**

Genesee County: December 1, 1997 Livingston County: November 24, 1997

Note: I have requested clarification from Suzanne Jabbour (RJR Law Dept.) relative to effective date as attached document is unclear - I will advise ASAP if date is different than noted.

Attached are spreadsheets of both chain and independent retail stores that reside in both counties for your convenience. KAMs/AMs responsible for chain headquarter points should communicate specific action plans relative to merchandising/contract plans for their respective chains.

Thank you in advance for your attention to this matter. Please do not hesitate to contact me if I can be of assistance.

Sincerely,

Lori MacWilliams

## NOTICE OF ADOPTION OF LOCAL LAW

LOCAL LAW NO. 3 - 1997

## PROHIBITING SELF-SERVICE SALE OF TOBACCO PRODUCTS

Be it enacted by the Board of Supervisors of the County of Livingston as follows:

## Section 1. LEGISLATIVE FINDINGS:

A recent survey of underage smokers in Livingston County found that 13% of regular smokers and 15% of occasional smokers in the 9th grade admitted to shoplifting eigerettes in the past 30 days, and 40% of those regular smokers and 56% of those occasional smokers reported they had no difficulty purchasing tobacco. Despite well-publicized checks conducted by the County over the past 3 years, over 23% of the tobacco vendors checked in the summer of 1996 were cited for illegal sales to minors. The U.S. Surgeon General has reported that more than 3 million American adolescents are current smokers.

The County Legislature hereby finds that placement of tobacco products in self service displays and open store shelves enables shoplifting to occur, and that the use of vending machines allows for the illegal purchase of tobacco products by minors. To prevent these problems, tobacco products should be placed behind store counters or otherwise stored or displayed in a secure location accessible only to vendors and their employees, and vending machines should be placed only in areas inaccessible to persons under the age of 18.

## Section 2. PLACEMENT OF TOBACCO PRODUCTS:

No vendor shall display or store products containing tobacco in a manner which allows direct access to the product by the customer prior to purchase. No vendor shall allow vending machines containing tobacco products in any location accessible to persons under the age of 18. The local law shall not apply to tobacco businesses, as defined in Article 13-E of the New York State Public Health Law.

## Section 3. ENFORCEMENT HEARINGS AND PENALTIES:

Enforcement hearings and penalties for violations of this local law shall be pursuant to the Livingston County Sanitary Code, upon adoption by the Board of Health of the provisions of this local law.

#### Section 4. EFFECTIVE DATE:

This local law shall become effective sixty (60) days after it is filed with the Secretary of State.

Dated at Genesco, New York September 10, 1997 (Introduced) September 24, 1997 (Adopted)

# A LOCAL LAW ENTITLED "A LOCAL LAW TO PROHIBIT SELF-SERVICE SALES OF TOBACCO PRODUCTS IN THE COUNTY OF GENESEE"

BE IT ENACTED by the Genesee County Legislature as follows:

Section 1. Legislative Findings:

A recent survey of underage smokers in Upstate New York found that over 50% of regular smokers in the 9th grade admitted to shoplifting eigerettes and over 70% reported they

To prevent these problems, tobacco products should be placed behind store counters or otherwise stored or displayed in a secure location accessible only to vendors and their employees, and vending machines containing tobacco products will not be allowed.

Section 2 Placement of Tobacco Products

No vendor shall display or store products containing tobacco in a manner which allows direct access to the product by the customer prior to purchase. No vendor shall allow vending machines containing tobacco products in any location. This local law shall not apply to tobacco businesses, as defined in Article 13-E of the New York State Public Health Law.

Section 3. Exemption

Cigars and Pipe Tobacco will be exempt from this Local Law.

Section 4. Enforcement
